Subject to the terms set forth herein, Jenn-Air Brand of Whirlpool Corporation (hereafter "Jenn-Air") guarantees your **new 30" Jenn-Air Brand slide-in range (qualifying models listed below) featuring the FIT System** will fit your existing cutout of 30" width, countertop depth of 24"-25", cabinet depth of 23"-24" and countertop height of 36". If your countertop cutout depth is less than 24" and you are not satisfied with the fit of your new Jenn-Air brand 30" slide-in range, Jenn-Air will provide **up to \$100** toward the cost of professionally modifying the depth of your countertop cutout. In addition, if your countertop cutout depth is less than 24" and removal of your old range reveals uneven or slightly damaged edges on the sides of your countertop cutout, Jenn-Air will provide a set of two (2 – each ½" wide) trim pieces which are designed to cover up to ½" of the side edges of your countertop cutout. The FIT System Limited Guarantee covers replacement installations in your existing cutout and is not valid for appliance installations related to new home construction or remodeling. In unusual circumstances, the \$100 maximum countertop cutout modification allowance may not cover the full cost of modifying your countertop cutout depth; you are solely responsible for all costs that exceed the \$100 maximum countertop cutout modification allowance. Jenn-Air makes no other guarantees as to the proper fit of your new Jenn-Air Brand 30" slide-in range other than as set forth herein.
